Frequently Asked Questions

faqs

Can I use my own Ppt Celebration Templates Templates?

Absolutely! Simply drag and drop your templates into the Simplified Design Editor.

faqs

Can I turn my presentation into a video project?

Most definitely! You can do this by adding transition affects between the slides on your art board at the bottom of your screen. Go to the panel above your presentation and hit the "Animate" button. On the right hand side a presets panel will pop up, displaying a variety of transition affect options. Choose the one you want by hitting the "+" on your art board, then click the desired affect. Play around with the different options to see what fits your presentation needs.

Are there keyboard shortcuts I can use to edit my presentation?

Most definitely. To open the Keyboard Shortcuts, Panel hit "HOTKEYS" on the bottom left hand of your screen. A list of Keyboard shortcuts will emerge on the right-hand side of your screen.

Is there a free version of Simplified?

Yes! We have a Free Forever plan, which will stay free...forever. If you're an agency, freelancer, or team looking to use our essential features, this is the plan for you. Get unlimited design projects, 1000+ fonts, millions of photos and icons, thousands of templates, instant publishing, and 1GB of storage.

How quickly can I get customer support?

Chat with us in-app or send us an email and we'll get back to you within 24 hours. We'd love to hear from you!

Easy, eye-catching presentations are just a click away!
